

CHI WELLNESS

POLICY AGREEMENT

Please understand that your time commitment begins at the moment you reserve a massage and/or acupuncture appointment. In order to make it fair for everyone, please consider your schedule carefully and don't commit to a time that you feel may be questionable. There are times when a cancellation is, of course, necessary; but please give advanced notice whenever possible. Missed or canceled appointments (medical emergencies excluded) without **forty-eight (48) hour** notice will be charged in full for the missed session.

Please note, a maximum limit of **TWO** treatment areas will be applied for each person per session. For each additional treatment area requested, an additional charge of \$40 will be added to the original invoice price.

Fraudulent Check Policy

Personal and Corporate checks that are denied will have a \$35 fee return fee added to the original invoice price.
